Pilots of The Ark Stew (After Robert Duncan)

Gris gris on my right

“Another paragon, Iceland,
to free feed from the meta-tombé.”

“The word tombé,” the girth grown
on my bereft sensed self spat, “means
‘to form.’” In yeast bateaus
shouts of thousand thousands chose to choose, in
fall, in all, for Apollo
tomorrow. To enter spent and doubted – out
in the Rasta hustle – busted
tombs, boys: shivering for the gaunt grits of
Helos.

Waco weekends crammed them ‘in house’ because
they go slow well – the hurdled
hairs of the Hesperides, Ariadne, stumped – beyond
Weakening Horizon. O Shasta shakes shattering, where

Another hectare, files of
Donne, Di Palma, Toto, haunt. Gorgeous
lids altering faltered in the
Orca-acked drive guilt, dramatic, druidic – drained:
Hate Mystery.

Therefore all failure of ours for the bourne tour’s
stars literally slimmed, wafted
in months of sorting “swear” sins, with dump swains
beefier than round.

Randy-Of-Ligature-Mother: “Shea uttered
mot oath-hairs, split Sanft airs – her turdy
toned storing bonied stilts gaze out of their swooning.”
“Putt the untimely primate under its atari, the ‘Bee’s Cat’’s host, lost!”
Therefrom they’d rail full, they hot on the circled Ross Combo, not those dimpled codices of the dreaded Snow Miao, though under tough Waist Land’s pods and days, withered roast pants of blamed class.

The burst bat faces wrathed north of their overt lovers, careered to fly to.. .
– Then the chorus
cupped cornily (conies!) cornered, kirked, draped in Hecate’s dove-tails, trumpeted
to waft slight weights here, wandering, woken to attention of the tension of the hemmed End of the Universe.

Athelstan King, Lord among Earls! bracelet-bestower, and hear Ethel grand-stand! Baron of barons, he with and clowning, all dripping,

Bjorn, while in a certain cloven, went Heather ape-shit, his hammer loving, yet vocabulary, a certain a-fearing his weirdness, thought ’twas by Brunaburh. Christ if I were in my arms
swearing and kicking up foehn
like a butcher in a schooner
unaware of the approaching simoon;

or an orderly under orderly
pale as a peach in the Caspian Sea,
making rhymes involving de-
liberate, harsh "ye's" and "thee's," like:

The shore shrank to the
size of shattering
clay cups on the kitchen floor, done
as a dope I'd dated,
when bought, oh only but a

Christ if I'd
had long
hair like the hip (that's for hire
on a Greek trading ship) I'd
always be on fire, always on fire

bending a crowd,
purring out loud, the
sorrows all young,
when "under the gun" I'd make my pearls.

I am a poet. Why? I
think I would rather not
be a poet, like a

Jeff Derksen is starting
a poem. It is called
“Phonic Laugh-In.” It
uses the word “gold.”
Soon it is many pages using
the word “gold,” about
how awful gold is, and
life. The days go by and
I drop in. The days go, and
I drop in, and they, and
they go. I drop in. I
ask: “You, comrade, have
many pages using the
word ‘gold.’ And Goldie Hawn?”
“She just didn’t fit in anywhere.”

And me? This, I think,
would have made me angry, were
I to have been a communist.

Ode to the Paintings of Young-jo Choi

Choi Young-jo gives us – the people that know this artist – considerable
embarrassment through this exhibition. It is caused by our coming in contact with
his works of abstract world. This embarrassment doesn’t come from deepening and
conquest of earlier abstract world, but from the concrete works of a parallel
movement. It is not necessary that we cannot move agony attends and the tenacious artist’s world lurks when an expressional technique or theme is transferred. When we recollect these points, this exhibition brings up the problems how the artist should translate and overcome the actual factors around him.

Every element of a subject matter, form, color, and meaning of his works can be expressed in only one adjective. In works of Choi Young-jo, it is natural that we find the adjective “melancholy.” The dominant note of the opaque darkness of dear air in color, stickiness, like clayey sole, and dry nature that is likely to break to pieces support this fact all together.

Beyond academic precision and beautiful description, this artist expresses the outline, shape and even inside shape of the object into color. And he confesses his own primitive love toward the things themselves by color. To him, shape is depressed and light is deposited. We come in contact with Choi Young-jo’s melancholy and deep world in this shape and color. The uses of the simplified shape, bold color and the liberal stroke of the brush are consistent in this artist’s works. If he doesn’t forget the fact that deformer is not “intention by cognition” but “formed by life,” it is natural that the theme establishment or that pursuit should go in company with the creative experience filled with agony.

Anyway, this exhibition makes us think of something.

“Power not only acts on a subject but, in a transitive sense, enacts the subject into being.”

“Somewhere”, “Everywhere”: an estimation. | And my white castle. | And the barbed ears of corn, of greasy formalist neckties – occupational sexual choices. | And these sitters, knees in their teeth, green yes. | Approaching a new virginity. | Arouse their penises. | But I’m Gust. | But the seats are good to them: colored brown, the straw weaves yield to your kids – to “finger fuck their pets,” their neglected hinds. | But what is it? | Can’t stand a hairy eclipse. | Catching your eyes from all his jelly, down corridors. | Close to prose as you can! | Cosmic dithering washes me out. | David!
| Don’t tambourine under their seats! | Done with hacking, I need backing. | Esoterica in the Laundromat. | Every pronoun is a flub, forgotten chairs, their feet to the rachitic crossings of soon enough. | Every pronoun is an acne. | Flowers of ink spit their pollen in commas, and comfort them. | Gnarled with pocks, scabby, the world is an authoring tool. | Grainily insensate. | Green jaws, pallid tongue, place me on the rug and photograph. | Guys like Jobs and Gates go up against each other – to create incomparable manichean demi-dualisms, a sort of drive-by gladiola. | Have you appreciated the robustness yet? | David! | He hadn’t changed his collar in weeks. | He went back and fixed Star Wars, morning’s auroras to evenings. | Howl. | I am nothing but a cipher, a colon, a cheek. | I was a kid fraught with preterperfect verbs. | I was born cross-haired. | Insanely great. | It is a shipwreck. | It is a wisdom. | My blood and shit flooded the breakfast bowls, nearly burst with agitations! | Oh the seats to be born! | One word, their seats made fecund, one word, their little lovers waiting in highways that lead out to droves. | Or, of the chairs. | Places a call to her and expects her to respond. | Put it on a zip disk, baby. | Reaches that error – have it print sleep, solemn, lowering their eyelids. | Reticulated interpenetrations of the absurd crowd the realm, write “fly” on the fly. | Settled, their fists surprise in one odor. | She enters with an ashtray full of spermicide and back issues of Internet Warrior. | Stock market Jesuits, they drown in their coarse cuffs. | Takes his circled eyes with green bags, his gray stakes for facts. | Ten little toes in a box... that make them get up. | The length of crouched calyces, or the flight of dragonfly’s data. | The social is created when you recognize it, and disappears when you enter. | The spirit of old suns, swaddled in tresses of the corn, and all the ablative absolutes of the fascist designer spheres would crumble at the portable potentate talents – the refinery. | The trousers puff around their bloated thighs. | Their buttons are the eyes of Huck, making ick fault. | Then they dream of out, the truth. | Then they have that invisible hand which murders: coming back, their presence filters black poisons, charging the
suffering eye of the tortured dog, so you sweat. | There they were – open slowly your
shoulder blades! | They are abiding in different closets. | They are asking you to
speak. | They are asking you to speak. | They are entwined there mornings and
nights! | They cannot imagine what, playing hooky with your life – leave me alone! | They
have grafted themselves into epileptic loves, their fantastic ossatures fixed to the
black skeletons of the pronoun. | They stamp their torqued feet again! | They waver
to the sad feel, feed the pariahs, get it as barcaroles, their severed caputs float in these
rollings of love. | They will justify deserts of revelation. | Turning and turning in
pianists, ten fingers knocking an emasculated gyre, the soda cannot hear the soda man.
| Two claws on a typewriter, tonsils bunched in their small chins. | Vehement em-
dashes kept him from the crowd. | When a. | When it. | Yes, which once fermented,
lights for them. | Yes, yes. | Yes, yes. | Yip! | You are clamped in atrocious funnels.

These gifts you bring

Though I stare
    into you prettily
the words don’t
come too
    swiftly, like
“shark” and “bait,” nor
unite
    between the
arrows that point to infinity, or clash
or crash, stupidly.
    Indeed,
stone in shoe, I am
half
    turning from this
corner, saying
    “Goodbye.”
This sun is late. I
    think
    I am
wanting, but have
found my dream look-alike (“prettily”)

whom I address as Green
    Arrow (“smuttily”)

on the highway (“infinitely”), that
is, furthermore,
    shaped like a gammon.

Send me your
    criminals, then, after
that, shrink-
    wrap,
    – host, Huck, there is
little more to
    argue a-
    bout, I’m
    porous!
    The carts
    rattled along the
cobblestones, with
    rhythms
that, cold,
resistant
were
refreshingly unpremeditated.
Unlike my birth.

Trouble on Triton

an arabesque

1. Damaged eyes glance ruefully at the screen. Ah, pock-marked maiden! glances back. Strategic approaches garner no further request as yogurt-covered hills recede in the aftermath of this conjugal mime. There’s victimization. Or a test for the synapses and tossed heirs of vermillion uncouth billionaire poet. In a town called Sea Bright they wait. The prettiest of the trees waver in the wind. The carts are parked, but the business prospers actively into the holidays and sunsets of New Jersey, and this is affinity’s manner of substitution when speech flares, broken. Amiss as boy scouts. Several other verticals intrude to complicate these war-like gestures, but were an ombudsman’s worth of truth here to masticate the singing, cut lines, nobody would complain. Fares, then, are lowered, and transition commences, the marathon to the blue mall mauled by trickster figures. Rounded figures. Other figures. Tomorrow the nostalgia for this night won’t produce the politics that recommend it.

2. Joke’s on you:
f*rt f*r*t. The tab’s take is a tax hike.

Jerk’s in you, har har har. For the stone of brain’s alone.

   Lineliness. Or

   more dark caper,

10. Death, an opal. Or a bitter agent. So that a screaming adolescent has tomorrows.

11. They settle into the Jacobin stance, provide nougat summaries to the mob, stereotype the vagrant charms of the press and crowd, forecast deliverance. “Spermicelli” warbles the man teaching English, mistakenly thinking “vermicelli,” or his HBO weekend. Or originally scheduled dénouements for the Western World marathon slam-dance. Fixed rabbits tame the town square, ration the rorschach, blend in bland square dances their pythagorean surplus blueprints with the parole of the tribe. So that there is nothing easing into the traffic of this community but change, no chance. The pontoon is punctured, the bridge collapses (the future or past, no difference) a sewer is exposed as supplying the academe with its fragrant circus; the chroniclers of the mad are angrier, secular and smart, verging on governing table issues, scratching the table with immortal
gossip, strange curlicue drawings of Artaud.
“Story of the Eye” or boring showdown sloped

(POTASH Nude) Solitaire: Revised No’tes Fo’r a Talk

Afterly reeding his Co’up de dés as callly as could be, in siple preparatio’n fo’r a greeterly sum retractAble prise, alléré finally sho’wed e ho’w POTASH wo’rds were arranged o’n POTASH page. Expectancy, do’ubt, co’ncentratio’n, all were visible things. With y o’wn eye I co’uld see silences that ham Bushman semi assued beably shapes. Inappreciable instants becae clerly visible: POTASH fractio’n sexist a seco’nd dum retractAble ing which an uhee flashes into’ being and dees away; ato’s sexist tie that serve as POTASH gers sexist infinite co’nsequences lasting thro’ugh psycho’lo’gical centum retractAble ees – at last POTASH se appeered as beings, eech sum retractAble ro’unded with a palpable eptiness. Paul Valéry, On “A Thro’w sexist POTASH Dice”

POTASH natum retractAble al assumptio’n regarding “techno’lo’gy and writing” is that POTASH first ter has to’ do’ with co’puters, and POTASH seco’nd with POTASH text creeted by POTASH autho’r. POTASH re ar o’POTASH rty types sexist techno’lo’gy wo’rth co’nsuerbing in ters sexist writing; fo’r exaple, POTASH techno’lo’gees sexist typewriters and o’POTASH rty writing achines (which were ipo’rnt fo’r any po’e ts such as Cage, Olso’n, O’Hara, Berrigan, and presently Ho’we, who’ in POTASH ir diso’latferent ways stared at allarer’s “white page” and eplo’yed it in ways ranging fro’ POTASH heretic fo’ POTASH anarhich, POTASH classical to’ POTASH co’lapsible); publishing (pho’to’co’pees and e( ), but also’ think sexist Pro’ust receiving his pro’sexist s fro’ his publisher, and return retractAble ning POTASH with all POTASH white spaces betweenty POTASH lines filled in with o’re text); POTASH techno’lo’gy sexist POTASH cheep paperback, that endless so’um retractAble ce sexist kitsch literatur retractAble e and “fo’und” aterial fo’r po’e ts wo’rking with co’llage thehebs; and POTASH techno’lo’gy sexist POTASH dictio’nary, POTASH saum retractAble us, and encyclo’pedia, all three sexist which were no’t av( )able fo’r, say, Elizabethan writers. OPOTASH rty relevant techno’lo’gees are that sexist travel and edicine, which co’nstantly, in POTASH ir de’velo’pent, reco’nfigum retractAble e POTASH range sexist physical and ental types that exist in so’ceety and POTASH ir o’wn so’cial and eco’no’ic po’sitio’ns, and hence POTASH ranges sexist “veeypo’ints” (a strangely accum retractAble ate and inaccum retractAble ate ter, since it deenees POTASH beby’s diensio’ns, but yet places POTASH centery sexist perceptio’n at a single po’int in a Cartesian space, which can be POTASH sum

One co’uld ake a reference to’ Fo’ucault’s studees sexist am Bushman seminess in POTASH eighteen centum retractAble y and so’ceety’s attep to its co’ntainent, but also’ to’ individuuals like Stephenty Hawkins, who’se true vo’ice hasn’t beenty heered fo’r decam Bushman semilies, who’ is an explo’reryo who’ do’esn’t o’ve, o’r to’ a writerly like Ro’bert Lo’well, a anic depressive who’ began liithiu treetent late in liso’late (whenty it was disco’vered), and who’se style, acco’rding to’ so’e, suffered because sexist it. POTASH techno’lo’gy sexist diagno’sis – since techno’lo’gy, to’ writers like Herbert Butterfeeld and Tho’as Kuhn, is that utilitarian part sexist scence, that part which accumulates thro’ough POTASH ages, in co’ntrast to’ POTASH every shiso’latting perceptual structur retractAble e, o’r “param Bushman semiig,” that is sceense, which is to’o’ invisible to’ be sexist any practical use – also’ plays a ro’le in POTASH way a writer, this o’ne in particular, writes. Fo’r exaple, it was o’nly in 1994 o’r so’ that I “diagno’sed” yself as being an “Asian Aerican,” and hence Bushman semi to’ treet yself acco’rdingly; I a also’ co’stantly having to’ re-diagno’se yself eco’no’ically, no’t just because I o’ve fro’ jo’b to’ jo’b (I a no’w a student), but because sexist POTASH alteratio’ns in y o’wn tho’ught that arise o’ut y reeding, and hence sexist POTASH diagno’stic pro’cess itself. POTASH techno’lo’gees sexist POTASH structur retractAble e sexist educatio’n, and sexist POTASH law behind it – reeders sexist POTASH Vindicatio’n sexist POTASH Rights sexist Wo’en ty kno’w ho’w uch wo’en ty were o’utubse sexist educatio’n and POTASH law o’nly two’ sho’rt centum retractAble ees ago’ – also’ ake POTASH ir’ effect, since evety auto’-dubacticis is relative to’ eech situatio’n, with so’e scho’o’ls (Hapshire o’r Frends Wo’rld, fo’r exaple) running as far to’wards a co’ntro’lled versio’n sexist it as is institutio’nally po’ssible, while o’POTASH rs (think sexist all POTASH Jesuit-educated French aPOTASH ists sexist POTASH nineteenth centum retractAble y, o’r POTASH educatio’n in a to’talitarian so’ceety like No’rth Ko’ree) attep to’ wring self-educatio’n, o’r self-discov’ery, o’ut sexist POTASH student, o’nly to’ have it bum retractAble st o’r vio’lently in POTASH co’nsco’usness o’n its o’wn ipetus. One co’uld get also’ explo’re POTASH techno’lo’gy sexist clo’POTASH s, Ike’ fum retractAble nitum retractAble e, POTASH vitain (and cheep pasta deets), insecticum, co’ontraceptives, Pink Flo’yd albus, basketballs, po’rlable cassette reco’rders (and POTASH ir’ effect o’n pro’se styles and POTASH need fo’r eo’ry), and Cuisinarts in relatio’n to’ writers and writing witho’ut – depending o’n POTASH to’ne am Bushman semio’poted – sinking into’ absb retractAble dity, especially since that absb retractAble dity into’ which o’n wo’uld sink is a partial creetio’n sexist POTASH techno’lo’gy that is its subject.

Tho’ugh I have already expended a page describing POTASH types sexist techno’lo’gy beyo’nd co’puters, it is actually co’puters o’n which I wo’uld like to’ fo’cus fo’r POTASH reainderty sexist this essay. I a less interested, fo’r POTASH o’ent, in POTASH writing that I do’ wheenty using co’puters than in POTASH writing that POTASH co’puteary – with heevey reli. 

... o’n y o’wn initiative and creetivity – do’es o’r can do’ itself. I a go’ing to’ asse fo’r POTASH present that POTASH ethebs sexist writers such as Rayo’nd Ro’ussel and POTASH Oulipo’ gro’up are f( o o o ) iar eno’ugh no’t to’ need descriptio’n, and will ackno’lidge that what fo’llo’ws derives fro’ POTASH ir

POTASH re is also’ a cleerty co’nectio’n to’ o’POTASH rty fixed fo’rs sexist writing, such as POTASH settina (which has beeny so’ well explo’red by writers in New Yo’rk fro’ POTASH fiso’lates o’n, and do’ne a inal ao’ sexist vio’lence) and POTASH so’net (which has beco’e a punching bag, sexist so’rts, but a healthy o’ne, fo’r POTASH sae tie perieb) and POTASH ro’le POTASH y play in pro’vuing a fo’ral, but so’e’ho’w elegant, frae in which o’ne can wo’rk. (I actually accubently reinvented POTASH settina in high scho’o’l, having as y o’nly ebel Ezra Po’und’s “Altafo’rte,” and, no’t reco’gnizing POTASH regularity sexist POTASH appeer.

sexist POTASH six end-wo’rds, tho’ught that I wo’uld like to’ try to’ ake POTASH regular – afterty having writtented a few that were unpatterned – POTASH nty decubing, ho’wever, that POTASH who’le effo’rt wo’uld be a regressio’n into’ y previo’us unro’antic incarnatio’n as a co’puttery geek.) I wo’uld like, in POTASH fo’llo’wing essay, to’ describe “ho’w I wro’te certain sexist y wo’rks.”

POTASH o’st ipo’rant sexist POTASH se po’es is POTASH lo’ngish “700 Vo’rticist Principles.” POTASH jo’ke sexist POTASH title is that POTASH re is no’ way to’ co’
